

# Requirements for Transfer Students

(See transfer table below for details)

## A. General Education requirements waived for

- Articulated AA (includes H.S. AA)\*/Gen. Ed. Complete Statement
- Second Bachelor's degree

## B. Civic Literacy is required of all transfer students with the exception of those who started as a degree-seeking student at another Florida public college or university prior to Fall 2018. Beginning Summer 2025, students returning for a second bachelor's degree are required to complete the civic literacy requirement if they did not complete it as part of their previous bachelor's degree.

## C. University-Wide requirements

- Articulated AA (includes H.S. AA)\*/Gen. Ed. Complete Statement must complete all, with the following *exceptions*: only 1 Exploring the Human Experience required; only 1 SIP or FE required; no "W" required
- 12-59 hours: must take all requirements
- 60+ hours (no articulated AA): must take all *except* 1 Exploring the Human Experience, and 1 SIP or FE

## D. Note: Students with fewer than 12 post-high school credit hours who completed a High School AA

- Have the same CoreFSU requirements as articulated AA(A-C above)
- Are considered as First Time In College (FTIC) for purposes of Mapping

**Florida State University**  
**CoreFSU Requirements for Transfer Students**

| Hours/status                                     | No AA or non-articulated AA                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | Articulated AA (includes H.S. AA)*/<br>Gen. Ed. <sup>1</sup>According to State policy, students who have earned 12 or more credits post high school at institutions other than FSU are "transfer students."

<sup>2</sup>Includes courses from the previous institution accepted as transfer credit for General Education requirements.

<sup>3</sup>Or an approved advanced composition course focused on developing research skills.

<sup>4</sup>Requirement can be met with "W" courses approved for CoreFSU credit, with ENC1102.

<sup>5</sup>See <https://core.fsu.edu/advisors-and-students/civic-literacy-requirement> for more details regarding the Civic Literacy requirement.

\*Students with fewer than 12 post-high school credit hours who completed a H.S AA are classified as articulated AA for CoreFSU requirements but as FTIC for the purposes of Mapping. Students who were readmitted with an AA after first attending FSU (AAGR reset) are not "transfer students" but are classified as articulated AA for CoreFSU.
